Guru Sowle is a distinguished entrepreneur and advisor known for driving transformative strategies in emerging markets. As President and Co-founder of the Indus International Research Foundation (IIRF) in the USA, he champions cross-border collaborations between small and medium-sized enterprises (SMEs) in the U.S. and other nations, especially in the defence, aerospace, technology, education, energy, and healthcare sectors. His role as International Advisor for India with the World Trade Center Utah enhances Indo-US trade and business partnerships.

With a robust background in BIG 4 Consulting, Mr. Sowle excels in fundraising and strategic alliances, empowering small and mid-cap companies to achieve growth through IPOs, reverse mergers, and private funding.

A TEDx Speaker and recipient of the Times Power Icon Award 2025, Mr. Sowle is widely recognized for his thought leadership. He has delivered impactful talks, including a keynote on the Space Economy at the United Nations, 'Believe in Miracles' talk at Tedx and has moderated high-profile discussions on global business growth. In 2023, he had the opportunity to meet the Prime Minister of India to discuss strategic initiatives fostering Indo-US collaboration. His advocacy for women's contributions in science highlights his commitment to advancing the industry.

In addition to his advisory roles with Equippp Social Impact Technologies Ltd and Med Therapy Inc., Mr. Sowle is a former Vice Chair of the Institute of Chartered Accountants of India (Dallas Chapter). His career is marked by dynamic leadership and navigating capital solutions during the COVID-19 pandemic.

A Chartered Accountant and commerce graduate from Osmania University, Mr. Sowle remains a key figure in finance, technology, and international trade, dedicated to empowering businesses and individuals through strategic guidance and innovative solutions.
